Current rank information is now available for Dojo Administrators. (Click on "My Dojo List" from the menu bar.)

4. **New Grading Application System.** Dojo Administrators will see a button called "Grading Authorization" that will display a list of Dojo members similar to the one shown below. Here's how it works: The grading application form won't be available and open to everyone as it has been until now so

4.1 Members who want to apply will request permission from their Sensei

4.2 Upon approval, the Dojo Administrator will "unlock" the application form for you

4.3 After that, the members can login, apply and pay online for the grading. The form will be locked again after payment

#### Grading Authorization Table

To authorize a member to take part on the incoming grading session please check on the box where applicable. Select as many members as needed then, click on Submit

**IMPORTANT!** This procedure will just "unlock" the application form. Grading applicants have to login, complete the application form and pay the grading fees online.
